**KEY FEATURES**

**Patented Rotary Dial**

World-first incremental tilt control — scroll to any louvre angle for ev80 and ev93D blinds.

**1 or 5 Programmable Channels**

Choose single-zone or 5-group control. Each channel independently programmed.

**Soliris Sun Sensor Option**

Automatically adjusts blinds based on sunlight intensity — available in Pure White only.

**2 Finish Options**

Pure White and Silver finishes for 1-channel and 5-channel models to suit any interior.

**REMOTE ANATOMY**
